LONGWELL®
Turn to Experts - HVAC&R

Industrial Ceiling Fan

Feature: High air volume,Energy saving,low consumption,Ulsed in many industrial sites.

Type Code

LW - EC CF - 7.3 - 05

- 05 — Series Number
- 7.3 — Diameter
- CF — Ceiling Fan
- EC — A-AC D-DC E-EC
- LW — LW-Longwell

Industrial Ceiling Fan

(Permanent Magnet Motor)

- High air volume, suitable for large spaces
- Maintenance-free and long-lasting
- Lightweight, compact, and flexible installation
- More refined appearance
- Application: Large industrial plant/Logistics warehousing/Agricultural farm Station/Airport /School/Stadium/Hotels/Large supermarkets/Large shopping malls

Technical Specifications

Model	Voltage (V)	Power (kW)	Diameter (m)	Max speed (RPM)	Air Flow (m^3/min)	Noise [dB(A)]	Fan number (PCS)	Fan width (cm)	Current (A)	Frequency (Hz)
